

Micro Control Systems

APPLICATION NOTE
APP-055

Mounting the latest MCS-Keypad.

Revision History

Date	Author	Description
09/14/09	EAC	Create initial version

1. The MCS-Keypad now has a black ground tab that must be fastened to ground.

2. When mounting the MCS-Keypad be sure to fold over the black ground tab on the right side of the keypad and then fasten the screw on the keypad.
