

2017

MCS Training Schedule

Providing HVAC/R Control
Solutions Worldwide

MCS-Magnum Controls & Hanbell Training with optional Yaskawa VFD Training*

Micro Control Systems will be holding training classes on its product lines. These classes will be three days in-depth hands-on workshops that will enable attendees to have a working knowledge of MCS-Magnum hardware and software and Hanbell compressors. Attendees will learn how to use MCS-Connect software to communicate with MCS hardware and learn troubleshooting techniques that will be useful in the field.

A Windows-based laptop with a USB communication port will be required for class. Lunch will be provided daily.

Local expenses are the responsibility of the attendees.

If you are interested in attending please fill out the attached form and email to: sales@mcscontrols.com.

Class Content

- Introduction to MCS Products and Services
- Magnum Hardware
- Magnum Keypad/ Display
- MCS-Connect
- Magnum Chiller Software
- Magnum Loop Water Software
- Magnum BMS Communications
- Hardware Troubleshooting
- Hanbell Compressor Teardown
- Yaskawa Drive Training Day (optional)

ICE Training Class

Tuesday, November 7th ~ Thursday, November 9th, 2017

***OPTIONAL Yaskawa Training day - Friday November 10, 2017**
(ICE members only)

*The optional Yaskawa training day, which is normally \$500 per person is being offered at special pricing while attending the MCS three day training. Yaskawa is also offering a 6 month extension on the warranty period for drives you purchase.

Class space is limited so a confirmation from MCS is required to attend the class

Training Class Application Form

This training is designed for those who are familiar with HVAC/R theory and want to learn more about MCS microprocessors

Register for classes by filling out the form below. MCS is charging a nominal fee to cover a portion of the class costs. If registered attendee cancels a month or more prior to class date, full credit is given. Credit can be used towards another class date or product. No credit is given if attendee cancels within 2 or less weeks from course date. If the class does not meet minimum course size, MCS reserves the right to cancel the class and refund all monies. Notice will be given to registered attendees. Call for Class Fees.

Customers with an existing MCS Account can provide a purchase order number, all others can pay by credit card or send in a check. Payment is due prior to course dates and registration is confirmed only upon receipt of payment. You will receive information for hotel and travel with your conformation.

MCS Class Date -

Tuesday, November 7th ~ Thursday, November 9th, 2017

OPTIONAL Yaskawa Training day - Friday November 10, 2017
(ICE members only)
