Product Change Announcement

MCS-LONTALK-OEM, MCS-LONTALK-BOX & MCS-BACNET-ROUTER-2 Communication Devices

**Announcement Date: June 25, 2012**

New Orders

The MCS-BMS-GATEWAY replaces the MCS-Lontalk-OEM, MCS-Lontalk-Box and MCS-BacNet-Router-2. The MCS-BMS-GATEWAY should be used for all new installations.

Replacement Option

The MCS-BMS-GATEWAY is a drop in replacement for the MCS-Lontalk-OEM and MCS-Lontalk-Box. However, it is not a drop-in replacement for the MCS-BacNet-Router-2. You will have to remount and rewire this unit or, for existing installations, you may continue to order the MCS-BacNet-Router-2.
