

MCS-REMOTE-KEYPAD-NEMA4-W

Description & Specifications

Part # **MCS-REMOTE-KEYPAD-NEMA4-W**

Description

The **MCS-REMOTE-KEYPAD-NEMA4-W** is mounted and sealed to a NEMA4 rated enclosure. It provides a flexible and cost effective way to allow remote installation of the MAG-KEYPAD, enabling you to locate the keypad up to 10' from the control panel.

The enclosure is made of powder coated steel for durability and longevity. A left hand swing door is mounted with two hinges for strength. A lock is provided for security.
